

## **Wanda Nesbitt nominated by Cate Tiernan**

Ms. Nesbitt is kind and considerate she will come up with great idea and usually make those ideas come true and if Ms. Nesbitt promises something she keeps that promise. She pushes everyone to there limits and if someone does not get something she is patient and will reexplain it multiple times. Ms. Nesbitt is AMAZING!!!!!!!!!!!!!! We all learned so much more than we would have if it was not for Ms. Nesbitt, she interned us into the word masters challenge and the analogies contest .She truly went the extra mile this year.
